All Run Down

No Appetite. Weak. Discouraged.

Warm climates always debilitate the nervous system. The digestion is slow, and the liver becomes sluggish. Impurities in the blood accumulate, and you go about downhearted and depressed. All this may be quickly changed with proper treatment.

Mrs. C. Kennedy, of 26 Erskine St., North Melbourne, Victoria, sends us her photograph and this letter:

"I had lost my appetite, was very weak, and all run down. Nothing did me good, and I was discouraged. I then tried

AYER'S Sarsaparilla

and it brought me right up to my usual health and strength. And I want to add a word here about Ayer's Cherry Pectoral. It has cured me of such hard coughs and colds that I feel I could not do without it. For family remedies I rely on that word, 'Ayer's.'"

Keep your bowels in good condition with Ayer's Pills. Take just enough to produce one good free movement of the bowels daily.

SISTER ANNA, THE EPISCOPAL NUN, IS NOW IN HONOLULU

WE WELCOME to Honolulu Sister Anna, the mother of Mr. Keen. This lady comes from San Francisco, where she has done great work for the Church. She is known all over the State of California for her substantial help to every branch of spiritual work. We are sorry to say that Sister Anna is at present not quite in her usual health, but hope our salubrious climate and her new surroundings will soon restore her. —Anglican Church Chronicle.

GLAZE IN FOR LIFE.

The Slayer of Trehwella Gets the Full Limit.

Judge Dunne yesterday denied the motion of Robert E. Glaze for a new trial, and sentenced him to life imprisonment in San Quentin Prison for the murder of his partner, William Trehwella, in the Windsor Hotel last January.

After denying the motion for a new trial Judge Dunne ordered Glaze to stand up, and asked him if there was any legal reason why sentence should not be passed upon him.

"Nothing, your honor," answered Glaze, "except that I am sure I am not guilty of this charge against me."

"It is the sentence of the court," said Judge Dunne, "that you be confined in the State Prison at San Quentin for the term of your natural life."

Glaze again took his seat beside his wife and stepchildren without giving any evidence of emotion. His attorneys then moved for a stay of execution for twenty days, which was granted.

Glaze and Trehwella were partners in the Windsor Hotel. They quarreled over money matters. Glaze finally laid in wait for his partner in the kitchen of the hotel and shot him down in cold blood. He pleaded self-defense, but the evidence adduced at the trial disproved his plea, and demonstrated beyond a doubt that his crime was without cause or justification.

C. M. ALLAN RELEASED.

Hawaiian Confined Ten Months in Jail Without Trial.

VANCOUVER, B. C., May 24. — Charles M. Allan, son of a former Hawaiian Minister of Queen Liliuokalani's Cabinet, was released from prison yesterday, after an incarceration of ten months without a trial. He was confined at Westminster jail without hard labor, and, according to Canadian law, his detention was quite lawful, but without precedent. He was first arrested here last July on a charge of obtaining money under false pretences. He admitted the fact that he had given checks which were worthless, but he expected to have plenty of money by the first steamer from Honolulu to meet his obligations.

Instead of that, however, no funds came, his friends refused to put up the \$500, and more necessary to set him free, and so he stayed in jail. The crown prosecutor had the case stood over from time to time, in order to obtain a necessary witness from the States, but this witness never turned up. Yesterday Allan's lawyers applied under habeas corpus proceedings for his release, showing that no effort was being made to find the missing witness. The case was dismissed and the prisoner discharged.

TROUBLE ON FIGARO.

New Editor Ejects the Old One and Gets New Staff.

PARIS, May 25.—M. Antonio Periver, heretofore, with M. Fernand de Rodays, joint editor in chief of the Figaro, announces in this morning's issue of the paper that he has assumed the sole editorship as the outcome of the recent managerial disagreement. He says the journal will return to his ancient program—to please, instruct and amuse—and will remain "patriotic without being politically partisan."

It appears, according to the Gaulois and other morning papers, that the change in the editorship of the Figaro was a veritable coup. A meeting of the shareholders yesterday afternoon sustained the managing committee, and at 10 o'clock last night M. Periver appeared at the office and insisted upon M. de Rodays leaving. The latter drew a revolver. The Commissary of Police was summoned, but he refused to interfere. Finally M. de Rodays was induced to depart.

A majority of the staff refused to obey M. Periver, who summarily dis-

charged them and appointed new editors. The paper appeared at the usual hour. It is probable that a lawsuit will ensue.

A NATURAL LAW.

"The big advance in Kentucky whiskey seems to beautifully illustrate a natural law."

"How so?"

"The more it goes up the less it goes down."

Hubbubs—"Why are you moving from your suburban home?"

Subbubs—"I am all run down."

Hubbubs—"Malaria?"

Subbubs—"No; gossiping neighbors."
